I acknowledge that the services of **FACILITY** will be performed in accordance with my instructions contained herein. I waive any claim against **FACILITY** unless **FACILITY** is found to be negligent, according to pet care industry standards of care and does not perform as agreed herein.

The safety and well-being of your pet is of the highest importance. Ensuring that your pet remains safe and well cared for is our priority and as such, we take it very seriously. We do our best to have our pet parents screen for pre-existing health conditions, but some factors may be beyond our control. If a medical emergency arises while a pet is at our facility or participating in a service that we provide; it is imperative that we are immediately able to get them medical treatment at the closest available facility. We will call ahead to your veterinarian first and then veterinary offices in closest proximity geographically to us to ensure the emergency can be handled. Your pet will then be rushed to the closest capable and available facility for treatment and you will be notified. We notify the owner after we have secured a medical treatment center for the animal to avoid delays that may be caused by emotion on the part of the owner. Our goal is to get your pet medical attention as quickly as humanely possible and any distractions may interfere with that process. _____

Required Vaccinations

All participating pets are required to show proof of vaccines or equivalent treatments for one rabies vaccine and at least one distemper/parvo vaccine; two are strongly recommended. Proof of vaccination treatments or vaccinations must be presented prior to bringing your dog to class.

Children

For their safety, children under 8 years old are not permitted in class or on the premises without close adult supervision. If a child under 8 is found unattended, the facility reserves the right to ask the family to leave the premises. Children under 14 must be accompanied by an adult (over 18).

Video Recording

I understand that Canines In Action Academy does not permit video recording on our premises.

Refunds

No refunds will be given after a private or group session has already begun

Cancellations and "Make-Up" Classes

Canines in Action Academy is highly involved with the community and from time to time we have events scheduled on Saturdays. Classes cancelled by Canines In Action Academy will be added to the end of your training period. Classes missed for any other reason will not be rescheduled. Make-up classes are not available. Please contact us if you have a scheduling conflict. If you cannot make a class, just text us at 956-383-5982 and give us a heads up.

Aggression

Aggression is serious and must be addressed for your dog's safety as well as others. If you are unsure whether group classes are appropriate for your dog, we recommend investing in a private lesson for a one-on-one assessment. For questions or additional information please contact us at infocaninesinaction@gmail.com or 956-383-5982.

Respect

Not everyone has the same knowledge and skill set in owning a dog. Therefore, if there are any problems or you have some concerns about us or other clients, please bring it to our attention so we may address the issue and make this a positive experience for everyone. Always be courteous to others...always!

Potty your dog before class!

It is extremely important that you arrive 10-15 min early to give your dog a chance to relieve themselves before entering our training hall. There is a fence along the roadway that we encourage you to walk along, inside the property once you have parked. Please do not allow your dog to pee or poop close to the buildings for everyone's sake.

When entering the grounds

Absolutely no nose to nose, or nose to butt! **RESPECT** every dog's space! This is especially important when joining a group class. The dogs need to get familiar with each other at a distance. It is not social time, but bonding time with the owner.

What treats to bring

Bring a baggie or pouch of your dog's favorite soft dog food. We recommend not feeding your dog the day you will be coming to train or even the night before. You want your dog to be hungry.

Refusal of service

Canines in Action Academy reserves the right to refuse service.
